Client Testimonials & Project Portfolio

8 Sample Client Projects

Important: Shweroh Cafe is based on client-supplied content. The other entries are fictional sample content created for presentation/mockup use and should be replaced with real, client-approved information before being published as genuine testimonials.

01 Aurelia Skin Studio

Client Name	Ananya Mehta
Designation	Founder & Director
Website	aureliaskinstudio.in

Services Provided

Website Design & Development • Online Appointment System • Service Catalogue • WhatsApp Integration • Local SEO Setup • Social Media Creative Support

Client Testimonial

“NexScope gave our brand a much more premium online presence. The website is clean, easy to navigate, and the appointment flow has made it much easier for customers to enquire and book. The WhatsApp integration was especially useful for quick communication.”

Project Outcome

- Premium online brand presence
- Simplified appointment enquiries and bookings
- Faster customer communication through WhatsApp
- Better presentation of services and treatments

02 NorthPeak Fitness

Client Name	Arjun Malhotra
Designation	Founder
Website	northpeakfitness.in

Services Provided

Website Development • Membership Management • Lead Capture System • Payment Integration • WhatsApp Automation • Performance Dashboard

Client Testimonial

“The team understood our requirements and built a system that actually fits our day-to-day operations. Managing leads, memberships and follow-ups is much easier now, and we have reduced a lot of repetitive administrative work.”

Project Outcome

- Centralized lead management
- Streamlined membership operations
- Reduced repetitive administrative work
- Faster lead follow-ups and better visibility

03 UrbanNest Interiors

Client Name	Priya Shah
Designation	Creative Director
Website	urbannestinteriors.com

Services Provided

Corporate Website • Portfolio Development • Lead Generation Setup • Project Showcase • SEO Optimization • Content Management

Client Testimonial

“NexScope helped us present our interior projects in a much more professional way. The portfolio structure looks premium and the enquiry experience is much smoother. We now have a website that feels aligned with the quality of our work.”

Project Outcome

- Stronger portfolio presentation
- Improved enquiry experience
- Better digital brand positioning
- SEO-ready website structure

04 Velora Fashion

Client Name	Kavya Nair
Designation	Founder
Website	velorafashion.in

Services Provided

E-commerce Website • Product Catalogue • Payment Gateway Integration • Order Management • WhatsApp Order Updates • Social Media Integration

Client Testimonial

“The website gave us a proper online shopping experience instead of just displaying products. Customers can browse easily, place orders and receive updates. The overall buying journey feels much more organized and professional.”

Project Outcome

- Structured e-commerce storefront
- Improved product discovery
- Simplified order communication
- More professional customer purchase journey

05 Brew & Bean Roasters

Client Name	Aditya Rao
Designation	Co-Founder
Website	brewandbean.in

Services Provided

Website Development • Online Ordering • Menu Management • QR Menu • Customer Feedback System • Google Business Optimization

Client Testimonial

“NexScope helped us build a digital presence that is actually useful for our customers. The online menu and ordering flow are simple, and the feedback setup gives us a better understanding of customer experience.”

Project Outcome

- Improved online ordering
- Digital menu accessible through QR
- Centralized customer feedback
- Stronger local online presence

06 PrimeLedger Consultants

Client Name	Rahul Kapoor
Designation	Managing Partner
Website	primeledgerconsultants.com

Services Provided

Business Website • Lead Generation Funnel • CRM Setup • Email Automation • Appointment Booking • Analytics Dashboard

Client Testimonial

“The biggest improvement was that our website stopped being just an information page and became part of our lead-generation process. The CRM and automation setup gives our team much better visibility over prospects and follow-ups.”

Project Outcome

- Website converted into a lead-generation asset
- Centralized prospect tracking
- Automated follow-up workflows
- Improved sales pipeline visibility

07 Medora Wellness

Client Name	Dr. Isha Verma
Designation	Founder
Website	medorawellness.in

Services Provided

Website Development • Service Booking • Content Management • WhatsApp Enquiry Automation • SEO Setup • Brand Content

Client Testimonial

“The new website is much easier for our visitors to understand and navigate. We can also update content more easily, and the WhatsApp enquiry flow has made it simpler for people to connect with us directly.”

Project Outcome

- Better website navigation
- Faster customer enquiries
- Easier content management
- Stronger presentation of wellness services

08 Shweroh Cafe

Client Name	Rohan Prabhulkar
Designation	Owner
Website	shweroh.com

Services Provided

Website Development • Custom POS System • Complete Management System • Professional Shoot • Video Editing • Social Media Management

Client Testimonial

“Working with NexScope has been an awesome experience. The team delivered quality work on time and was very supportive throughout the project. The website, custom POS system, and management tools helped streamline our operations. Their support also helped during the launch of our new franchise, making daily operations easier and saving significant time.”

Project Outcome

- Supported new franchise launch
- Simplified business operations
- Saved time through automation and systemization
- Improved management efficiency
